Product 1 of Transport Package - Commercial Motor

Class of customers description

This insurance Commercial Motor (Product 1) is designed for customers within the Tipping industry who own or operate Motor Vehicles (as described below) in the course of their Business.

Their likely needs, objectives and financial situation, are aligned with the product and its key attributes and would like to be covered for:

- financial loss resulting from destruction, loss or damage to Motor Vehicles with a carrying capacity over 2 tonnes, Trailer(s) that attach to these Motor Vehicle(s), Bus(es) or Mobile Plant asset(s); and/or
- financial loss resulting from legal liability for a claim relating to the damage to someone else's property through the use of their road registered insured property.

Product Description and Key Attributes

There are two types of cover:

1. Comprehensive, which covers accidental loss or damage to the insured property. Where your insured property is road registered the cover will extend to include financial loss resulting from legal liability for a claim relating to the damage to someone else's property;
2. Third Party Only, which limits cover to damage caused to other property through the use of road registered insured property.

This Product:

- ✘ does not provide any cover for mechanical breakdown or maintenance cover or wear and tear.
- ✔ requires the schedule of cover to have a minimum of 60% Motor Vehicles over 2 tonnes carrying capacity, Rigid or Semi Articulated Trailers, Buses or Mobile Plant items. Noting that no more than 40% of the insured vehicles can be cars, motorcycles, caravans, utilities and 4WD, unless agreed by NTI
- ✔ expects that the policyholder or their employee(s) will be driving/operating the Vehicles.

Eligibility for cover is subject to risk acceptance criteria set by NTI which may change from time to time.

The Product Disclosure Statement contains the detailed policy cover, terms, conditions and exclusions.

Transport Package Policy is only available when Commercial Motor (Product 1) is purchased. Public and Product Liability, Carriers Protect and Downtime Products are optional covers and may be selected as required.

Commercial Motor (Product 1) is a Retail Product and is the main subject and primary focus of the TMD. Public and Product Liability, Carriers Protect and Downtime Products are included only to describe if there is any alteration to the Target Market for Commercial Motor (Product 1) when an additional Product is selected.

Product 2 of Transport Package - Public and Product Liability

Class of customer description

Some customers purchasing Commercial Motor (Product 1) of the Transport Package policy may be eligible to purchase Public and Product Liability (Product 2) to cover liabilities to Third Parties for Personal Injury or Property Damage as a result of an Occurrence in connection with the customer's Business or caused by a Product of the Business.

Even if a customer is ineligible for Public and Product Liability (Product 2), this will not change eligibility for Commercial Motor (Product 1) of the Package.

Product Description and Key Attributes

Any liability that arises must be in connection with the Business of the customer as declared to NTI when purchasing the Transport Package policy.

Public and Product Liability (Product 2) is primarily designed for transport, concrete carriers and earthmoving related businesses. Activities outside of these are subject to individual review and acceptance.

Public and Product Liability (Product 2) is included in this TMD only to describe if there is any alteration to the Target Market for Commercial Motor (Product 1) when this Product is selected.

The Product Disclosure Statement contains the detailed policy cover, terms, conditions and exclusions.

Product 3 of Transport Package - Carriers Protect

Class of customer description

Some customers purchasing Commercial Motor (Product 1) of the Transport Package policy maybe eligible to purchase Carriers Protect (Product 3) to cover loss, damage or liabilities to Third Parties who own goods that the customer is transporting in or on a Truck over 2 tonnes carrying capacity, or a Trailer that is insured under Commercial Motor (Product 1) of the Transport Package policy.

Even if a customer is ineligible for Carriers Protect (Product 3), this will not change eligibility for Commercial Motor (Product 1) of the Package.

Product Description and Key Attributes

Carriers Protect (Product 3) is designed for transport operators who carry/move goods that are owned by another party. Carriers Protect provides cover for those non-owned goods as a result of an incident involving the carrying vehicle.

Carriers Protect (Product 3) is included in this TMD only to describe if there is any alteration to the Target Market for Commercial Motor (Product 1) when this Product is selected.

The Product Disclosure Statement contains the detailed policy cover, terms, conditions and exclusions.

Product 4 of Transport Package - Downtime

Class of customer description

Customers purchasing Commercial Motor (Product 1) of the Transport Package policy are eligible to purchase Downtime (Product 4) to provide cover for when loss or damage occurs to an asset insured under Commercial Motor (Product 1) of the Transport Package policy.

If an Insured Motor Vehicle is ineligible for Downtime (Product 4), this will not change eligibility for Commercial Motor (Product 1) of the Package.

Product Description and Key Attributes

Downtime (Product 4) pays the amount nominated on the Policy when the Insured Truck, Trailer or Mobile Plant asset is damaged or destroyed which has resulted in a claim being paid under Product 1.

The payment of the selected benefit will be in accordance with the policy terms and conditions.

Downtime (Product 4) is included in this TMD only to describe if there is any alteration to the Target Market for Commercial Motor (Product 1) when this Product is selected.

The Product Disclosure Statement contains the detailed policy cover, terms, conditions and exclusions.

Distribution Obligations

How this product is to be distributed:

This product is designed to be distributed by Carriers Insurance Brokers Pty Ltd who currently authorised by NTI Limited to distribute this product.

Cover can only be issued to people where they are eligible for that cover in accordance with the application and/or acceptance/renewal criteria that has been approved in writing by the issuer and which complies with relevant laws.
