Product 1 of Yellow Cover – Mobile Plant and Motor Vehicles

Class of customers description

This Mobile Plant and Motor Vehicles insurance is designed principally for people or small or medium-sized businesses (customers) who own or operate Mobile Plant assets and associated Motor Vehicles in the course of their Business.

We anticipate that customers likely needs, objectives and financial situation, are aligned with this product and its key attributes, considering insurance to cover:

- financial loss resulting from destruction, loss or damage to their Mobile Plant asset(s) and associated Motor Vehicles; and/or
- financial loss resulting from legal liability for a claim relating to damage to someone else's property through the use of their road registered mobile plant or motor vehicles.

Product Description and Key Attributes

There are two types of cover available under Product 1

1. Comprehensive, which covers accidental loss or damage to the mobile plant or motor vehicle (Insured Property). Where your Insured Property is road registered the cover will extend to include financial loss arising from legal liability relating to damage to someone else's property; or
2. Third Party Only, which offers a lower priced insurance covering your financial loss resulting from your legal liability relating to damage to someone else's property through the use of road registered insured property.

Product 1 - Mobile Plant and Motor Vehicles:

- ✔ requires a minimum of 60% Mobile Plant items including incidental trucks/trailers. Noting that no more than 40% of the Insured items can be goods carrying vehicles less than 2 tonnes good carrying capacity, cars, motorcycles, caravans, utilities and 4WD, unless agreed by NTI.
- ✔ requires the policyholder or their employee(s) to be driving/operating the Insured Property including whilst the insured Property is hired out under a suitable hire agreement.
- ✘ does not provide any cover for mechanical breakdown, maintenance cover or wear and tear
- ✘ is not suitable for unsafe or unroadworthy plant and motor vehicle; drivers and operators that are not licensed for the plant or motor vehicle.
- ✘ Not all plant and motor vehicles may be acceptable and cover is subject to underwriting guidelines (which change from time to time).

The Product Disclosure Statement contains the detailed policy cover, terms, conditions and exclusions.

Yellow Cover Policy is only available when Product 1 - Mobile Plant and Motor Vehicles is purchased. Public and Product Liability and Business Interruption associated with the Business being insured are optional covers within this bundle. These optional covers can only be purchased as part of a package including Mobile Plant and Motor Vehicles cover.

Mobile Plant and Motor Vehicles is a Retail Product and is the main subject and primary focus of the TMD. Public and Product Liability and Business Interruption Products are included only to describe if there is any alteration to the Target Market for the Mobile Plant and Motor Vehicles Product when an additional Product is selected.

Optional Covers

Product 2 of Yellow Cover - Public and Product Liability

Class of customers description

Some customers purchasing Mobile Plant and Motor Vehicles (Product 1) of the Yellow Cover policy may be eligible to purchase Public and Product Liability (Product 2) to cover legal liabilities to Third Parties for Personal Injury or Property Damage, as a result of an Occurrence in connection with the customer's Business or caused by a Product of the Business.

Even if a customer is ineligible for Public and Product Liability (Product 2), this will not change eligibility for Mobile Plant and Motor Vehicles (Product 1) of the Package.

Product Description and Key Attributes

Any liability that arises must be in connection with the Business of the customer, as declared to NTI when purchasing the Yellow Cover policy.

Public and Product Liability (Product 2) is primarily designed for transport, concrete carriers and earthmoving related businesses. Activities outside of these are subject to individual review and not all business activities may be acceptable and cover is subject to underwriting guidelines (which change from time to time).

The Product Disclosure Statement contains the detailed policy cover, terms, conditions and exclusions.

Product 3 of Yellow Cover - Business Interruption

Class of customers description

Customers purchasing Mobile Plant and Motor Vehicles (Product 1) of the Transport Package policy are eligible to purchase optional Business Interruption (Product 3), which provides cover for financial loss which arises directly from insured loss or damage to mobile plant or a motor vehicle insured under Product 1 of the Yellow Cover policy.

Even if an Insured item of Mobile Plant and Motor Vehicles (Product 1) is ineligible for Business Interruption (Product 3), this will not change eligibility for Product 1 of the Package.

Product Description and Key Attributes

Business Interruption (Product 3) pays the amount stated on the Policy Schedule when the Insured truck, trailer or mobile plant is damaged or destroyed, which has resulted in a claim being paid under the Mobile Plant and Motor Vehicles (Product 1).

The payment of the selected benefit will be in accordance with the policy terms and conditions, Payment of the business interruption benefit will cover the period up to the time repairs are completed or the total loss settlement date. There are maximum weekly benefits and waiting periods stated in the policy. This policy is not suitable for insuring loss of business profits or workers wages.

Not all Mobile Plant and Motor Vehicles may be acceptable and cover is subject to underwriting guidelines (which change from time to time).

Business Interruption (Product 3) is classified as Wholesale Insurance. It is included in this TMD only to describe if there is any alteration to the Target Market for Mobile Plant and Motor Vehicles (Product 1) when this Product is selected.

The Product Disclosure Statement contains the detailed policy cover, terms, conditions and exclusions.
