Client Service Offering

LOCAL EXPERTS IN LOCAL OFFICES

NTI is committed to having local experts in local offices across the country. This means that every NTI office has specialists in underwriting, claims, sales and more to ensure you can always speak with an expert. This extends to our in-house 24/7 customer service centre based in Newcastle.

ROADSIDE ASSISTANCE SERVICES

Truck Assist: Powered by NTI provides roadside assistance 24/7, 365 days a year via a national network of over 4,000 trusted service partners. We're proud to have wholesale agreements with a large number of manufacturers in Australia. Currently, a Truck Assist roadside program covers every second new truck sold in Australia. NTI SCTP Platinum policyholders have access to NTI's roadside assistance service.

RISK ADVISORY SERVICES

NTI's Risk Advisory Services team is one of the ways we demonstrate the expertise that makes us Australia's leading specialist insurer across transport and logistics. With innovative initiatives such as NTI's exclusive partnership with Seeing Machines, a global industry leader in driver monitoring systems, and the NTI Traction program, which delivers best practice safety culture support to businesses, the team have already made a large impact.

- ✓ Access to Better Business Hub - an online hub providing practical advice and tools on:
 - Cutting red tape
 - Managing your team
 - Increasing profitability
- ✓ Access to risk management tools including:
 - Business Health Check - an online survey that helps your business identify needs in key areas
 - Coach program - an online learning app designed to support and coach fleet managers of small to medium businesses

Claims Service Offering

REAL TIME HELP WHEN IT'S NEEDED MOST

NTI understands the importance of efficiently managing the scene of an incident to contain recovery costs and to get vehicles back on the road as soon as possible. That's why we developed NTI Accident Assist. Our Accident Assist team is on standby 24/7, 365 days a year to ensure businesses can get real time help, when they need it most.

One call to NTI Accident Assist at any hour of the day or night can:

- ✓ Provide over-the-phone trauma assistance to the driver until help arrives
- ✓ Relay urgent messages to loved ones, suppliers etc.
- ✓ Arrange for the driver to be transported back to base
- ✓ Provide an NTI Authorised Heavy Vehicle Recovery Operator to recover the vehicle using the latest skills and equipment to prevent further damage and ensure the load recovery cost is fair
- ✓ Oversee clean-up of the accident scene
- ✓ Lodge the claim automatically (in most cases we will not require a claim form)
- ✓ Arrange post-incident trauma counselling for the driver if required
